

Mobilize.org Millennial Meetups January Guiding Questions

Happy New Year!

January is all about kicking things off, so this month Mobilize.org would like you and your Meetup crew to focus on identifying the issues Millennials in your community are facing, how you are or would like to address them and how Mobilize.org can support you in 2011.

The Meetup agenda is completely up to you, but we'd like you to answer the following questions at some point during your discussion so the Mobilize.org team knows the best ways to help you be successful. If you or anyone at your Meetup is tweeting, be sure to tag all updates with #MobilizeMup.

Once you host your Meetup, please visit www.Mobilize.org/Meetup and click share to let us know how things went. You can send all updates, including photos, blog entries, etc to Meetups@Mobilize.org.

Here are the questions:

- What issues are Millennials facing in your community or on your campus and how are you and/or Millennials in your community working together to address them?
- What resources would be most helpful to you in working with your peers to address these issues?
- If you attended the Target 2020 North Carolina Summit, have you made any progress on your personal commitment to action?
- How do you plan spread the word to Millennials in your community about your Meetups?

This month Mobilize.org will be sending Mobilize.org Target 2020 wristbands to everyone who attends your Meetup. We'll keep track of the number of signups you have via the website and send the items to your school or to the address requested by the organizer.

If you have any questions, please contact Femi at (202) 573-8753 or at Femi@mobilize.org.

Have fun!
